

Confidex RFID&NFC Sample Boxes

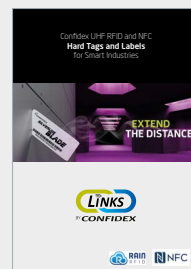

Our popular sample box is now available for sale and distribution! This kit comes with a variety of both UHF and NFC labels, hard tags and specialty tags. They're great for:

- internal testing
- customer site surveys
- presentations
- trade shows
- sales teams

Product Number & Pricing:
(valid for official Confidex Partners)

3000912 (FCC) - 50 USD
3001094 (ETSI) - 40 EUR

The sample box includes all the products in the **Confidex RFID&NFC catalog**, excluding *Confidex Car Distribution Label™*.

Sample boxes can be purchased through the normal ordering process. Please be sure to reach the minimum order value for a PO needed at your partner level. Shipping is not included in the price.

Please send all orders to:
orders@confidex.com
